NorthStar Adolescent Day Treatment Program: Helping Teens and Their Families Since 1998

Referrals to NorthStar come from families, health care providers, hospitals and schools. Most health insurance companies cover costs under transitional or partial day benefits. We also have contracts with all of the HMOs in the community. Admission to NorthStar is dependent on our evaluation to determine the teen's acuity and appropriateness to the therapeutic milieu. Referral to more appropriate resources will be made if admission is denied.
